

Rencontres égéennes internationales International Aegean Conferences

3 December 2015

Dear Colleague,

We thank you very much for having accepted our invitation to participate in the

16th INTERNATIONAL AEGEAN CONFERENCE

to be held in **Ioannina, 18-21 May 2016** on the theme

ΕΣΠΕΡΟΣ / HESPEROS

The Aegean seen from the West

and for offering a contribution on that occasion.

We are pleased to announce that practical information is now available on the Web page of the conference at <http://hesperos-aegeum-16.conf.uoi.gr>. As indicated in the list enclosed, we have 57 registered papers and 9 posters, with Sebastiano Tusa as the keynote speaker and Gert Jan van Wijngaarden as presenter of the endnote. Such a high number of presentations will make it necessary to keep strictly to the time schedule that will be released as soon as possible. So please have a look at the Web page to see the updates that we'll make to it at regular intervals.

There is no conference registration fee and the coffee breaks will be offered by the University of Ioannina, as well as the receptions on 18, 19 and 20 May. A special reception has been scheduled at the Karolos Papoulias Conference Centre in the evening of Wednesday 18 May, after the celebration in honour of Robert Laffineur. The speakers' farewell dinner has been planned on Saturday, 21 May 2016 after the guided tour to the archaeological sites of Ephyra and Dodona.

The proceedings of the conference will be published in *Aegaeum. Annales liégeoises d'archéologie égéenne*. The possibility will be offered to authors to purchase a copy of the volumes at the usual reduced price.

We would be grateful to you for confirming your participation and the title of your paper, as well as the name and affiliation of eventual co-authors, by returning the enclosed final registration form by 15 February 2016, preferably through e-mail, to the address aegeum16@conf.uoi.gr (please make copies for eventual co-authors).

Hotel information is available on the HESPEROS Web site and every participant has to book his/her accommodation directly at the hotels in Ioannina. A limited number of two-bed rooms are available at the Stavros Niarchos University Hostel for speakers who wish to stay in-campus, a few minutes walk from the Karolos Papoulias Conference Centre, where all sessions of the HESPEROS conference will be housed.

We look very much forward to meeting you in Ioannina in May 2016.

Yours sincerely,

Michael FOTIADIS – Robert LAFFINEUR
Yannos LOLOS – Andreas VLACHOPOULOS
